### HIGHLIGHTS

1. On-site training with our company for kennel management software (Chameleon). Now using mobile software to tie in with our on-site software to increase efficiency.
2. Strengthening animal routing process to ensure efficient outcomes for every animal. We're emphasizing thorough documentation and piloting Daily Rounds Team to evaluate every animal every day.

### UPCOMING ACTIVITIES

1. Ordering more barcode scanners for daily kennel census.
2. Working on creating an outdoor play yard with synthetic grass for a better environment and easy sanitization.
