For a successful class...

- Bring dogs **hungry**; no food/treats after noon on day of class (water is ok).
- Bring treats (hotdogs, cheese, etc. - **NOT** dry milkbones/kibble).
- Walk/exercise your dog **before** class.
- **No** choke/pinch collars, rear-clip harnesses, and/or retractable leashes - standard flat collars and a 6 ft. flat leash work best. In some cases, a front-clip harness or gentle leader can help.
- **At least one adult** per dog or child.
- **Turn off** all cellphones during class.
